

WHO'S YOUR FARMER

Wykertown Farms CSA

2019 Agreement

Community Supported Agriculture (CSA) is a commitment between shareholders and their farmer. By entering the CSA agreement, members (shareholders) agree that they will share in the bountiful harvest of fresh foods when the growing season is good, as well as the inherent risks of the farming operation (poor weather, drought, disease, animal impacts, early frost/late frost, crop failure and so on).

Harvest Season

For 2019, we anticipate the harvest to begin in May/June and continue through October (approximately 20 weeks depending upon weather and growing conditions). A full share of the harvest costs \$600; a half share costs \$325.

**Refer a friend to become a NEW shareholder and both members will receive a 5% discount* (*discounted share prices are: Full share - \$570 Half share - \$308.75*)*

Please make checks payable to **WYKERTOWN FARMS, LLC.**

Shares will be harvested and ready for pick up each week on either Wednesday or Saturday (whichever is convenient for the shareholder).

YES, I agree to support the Wykertown Farms CSA and receive a weekly full share or half share (**please circle one**) in the farm harvest.

Referred by friend/Referred friend (please circle one) if applicable

Name of friend (and contact info) _____

I further agree to contact the farm at 973-875-3304 in the event I am unable to pick up my share of the produce in person, and will provide the name of my proxy. If I cannot (or forget to) pick up my share at the appointed time, I understand that a mutually convenient alternate pickup time may be arranged. I further understand that unused portions of my share are nonrefundable.
